

THE CIRCLE OF LOVE

FLOURISHING IN EXILE

Week 1 | April 19 Sermon

Community:

Would you consider forming your own Sermon Series GROUP during this series? Who are two or three or more people that you would desire to connect with and hear from in the weeks to come? Who are some people whose wisdom you would love to glean? Who are some that you might know who are feeling lonely and isolated who would be uplifted by a weekly check-in?

Once you gather your few, establish some rhythms so that everyone knows what to expect. When and how will you “gather?” For how long? What will you talk about when you do? How will you keep it fun and casual? Some ideas of how to “gather” include: Zoom, FaceTime, Houseparty (app), conference call or simply texting or emailing at a designated time. It doesn’t have to be complicated to be meaningful!

For those of you who appreciate some structure to follow, consider filling in these blanks:

We will meet on _____ (day of week) using _____ (platform).

Group sessions will begin at _____ (am / pm) and end at _____ (am / pm).

Group time will typically consist of _____ minutes of sharing, _____ minutes of sermon discussion, and _____ minutes of prayer.

***If you start a GROUP, we would love to know! Our team would be honored to lift you up in prayer as you gather and support, equip and resource you in any way we can! You can notify us by emailing Jenny Hesselstine, Director of Community, at jennyh@trcpella.com.

Sermon Discussion Questions:

Teacher: Kevin Korver

Why is the concept of being adopted into the Circle of Love so important?

God (the Trinity) is essentially a relationship of love. How can we embrace and regularly enter this circle, this dance of love?
