

THE CIRCLE OF LOVE

FLOURISHING IN EXILE

Week 4 | May 10 Sermon

Community:

To truly understand what it means to be real and to do it may take time, but we believe that when you do, God will use you and the story that He is writing with you to make great things happen. In these short-term sermon series groups, we don't have time set aside for each member to share their stories. But, we hope that as you build relationship, the sharing of your stories will happen.

You may be eager to let others know who you are...or the thought may fill you with anxiety.

The members of your group have chosen to be in community—a kind of community that's different.

Like you, they long for a community that spurs them into growth and a meaningful relationship with God and others. *Challenge yourself to be open and transparent. Let these people know who you really are.*

And! Do something nice for the moms in your GROUP this week or any mom that you know, whether that be a physical or spiritual mother. Just bless their day in some kind way.

Sermon Discussion Questions:

What are some specific ways you've embraced the mystery of the triune God in your life?

In this season, in what ways do you see your trust in the Lord deepening? Are there areas where you are struggling to trust God? If so what are they?
