

EXPRESSING GOODNESS THROUGH GENEROSITY

FLOURISHING IN EXILE

Week 2 | June 14 Sermon

Community:

Take some time to really enjoy fellowshiping with one another this week. Whether that's in person or via technology, it can be done! Consider one of the following options or come up with an idea of your own that fits your GROUP's personality.

- Play a game! Some GROUPS favorites include:
 - *Heads Up!* And it can be played over some technology platforms, too!
 - *UNO*
 - *GROUPS Life Cards* (Available outside of Jenny's office at the church or delivery to your home available upon request.)
 - *Pictionary*
- Enjoy a meal or treat together
 - If you're meeting in person, coordinate a potluck style meal or dessert buffet or charcuterie
 - If you're meeting digitally, consider dropping something off at your groupies homes to all be enjoyed together as you meet.
 - Eating together levels the playing field and is a great way to enter into good discussion.

However your GROUP chooses to do it, enjoy each other's company in a fun way this week!
