Throughout the weekend there will be teaching and equipping opportunities around:

- *Healing and Marketplace Ministry*
- *Rubble in the Way of Healing*
- *Opportunities to receive prayer for healing*

MARCUS DYGERT  
OF GLOBAL AWAKENING

I’m a passionate minister that desires everyone to live a life of miracles; not just miracles of physical healing, but miracles from living a full life IN CHRIST. I have seen God do miracles in many areas of my life, as have many others that have been involved in the ministries I have led.

Through a powerful encounter of physical healings in my own body and an impartation from Bill Johnson, God launched me into a healing ministry in 2010. After another powerful impartation from Dr. Randy Clark in 2016, God gave me a gift of faith and I started to see God do creative miracles. Through these powerful encounters, I have a gift of faith for miracles and a passion to see others walk in healing and wholeness.

In my conferences, I teach on cultivating a life in Christ that will empower Christians to believe again in the signs and wonders of the healing and prophetic ministries. I believe that the Church can grow even more through sustaining an ability to cultivate the lifestyle of miracles by long-term relationships. My other passions to speak on are: forgiveness, marketplace ministry, encounters with God, and the Father’s heart.

*Marcus will also be sharing at Third Church’s Sunday morning service and their Sunday night 610 service.*
