

## Week 6 | August 5 Sermon

### GROUP Discussion::

Please read John 10:1-30. Having read this passage, what stands out for you about the Good Shepherd?

Please respond with your head

Please respond with your heart

A.W. Tozer writes, “What comes into our minds when we think about God is really the most important thing about us.” Does memorizing Psalm 23 affect how you think about God? If so, in what ways?

Kevin summarized what, according to Middle Eastern standards, a good shepherd is:

One who provides | One who protects | One who guides

Is this your experience with the Good Shepherd? Can you share specific examples?

Do you agree or disagree with this statement and why? “The key to the life of sheep is to follow a shepherd wherever the shepherd leads—believing that he/she knows what is best for all the sheep.”

How does this Bedouin concept apply to us and the relationship we share with Jesus, our Good Shepherd?

Will you pray for each other? Perhaps each could share how they need a Good Shepherd this week:

Provider?

Protector?

Guide?

*Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near. **Hebrews 10:24-25***
